This Handbook Map provides the hyperlinks directly to each chapter in the current Medical Examiner Handbook. Go to FMCSA Medical Examiner Handbook - Home Page to access this information directly from the FMSCA website.

- **Part I - General FMCSA Information**
  - FMCSA Mission Statement
  - FMCSA: Dedicated to Safety
  - Who Can Be a Medical Examiner?
  - When Is Medical Certification Required?
  - Important Definitions
  - Privacy and the Medical Examination
  - Medical Regulations Summary

- **Part II - The Job of Commercial Driving**
  - FMCSA Regulates Interstate Commercial Operation
  - The Driver and Driver Role
  - FMCSA Commercial Driving Facts and Research

- **Part III - Medical Examination Guidelines**
  - About 49 CFR 391.43
  - Driver/Medical Examiner Relationship
  - Medical Examination Report Form - Overview
    - Medical Examination Report Form (PDF)
  - Driver Information
  - Health History
- Vision
- Hearing
- Blood Pressure/Pulse
- Urinalysis
- Physical Examination
- Determine Certification Status
- Certify
- Disqualify
- Issue Medical Examiner's Certificate

**Part IV - Physical Qualification Standards**

- Part IV - Guidance/Advisory Criteria
  - About 49 CFR 391.41
  - Vision 49 CFR 391.41(b)(10)
    - Ophthalmic Preparations
    - Vision Tests
    - Ophthalmic Diseases
    - Federal Vision Exemption Program
  - Hearing 49 CFR 391.41(b)(11)
    - Otic Preparations
    - Hearing Tests
    - Otic Disease and Conditions
  - Hypertension (b)(6)
    - Measure Blood Pressure & Check Pulse
    - Essential Hypertension
      - Stage 1 Hypertension
      - Stage 2 Hypertension
      - Stage 3 Hypertension
    - Secondary Hypertension
  - Cardiovascular (b)(4)
    - Anticoagulant Therapy (content links)
    - Cardiovascular Tables Archive
    - Aneurysms, Peripheral Vascular Disease, and Venous Disease and Treatments
      - Abdominal Aortic Aneurysm
      - Acute Deep Vein Thrombosis
      - Chronic Thrombotic Venous Disease
      - Intermittent Claudication
      - Other Aneurysms
      - Peripheral Vascular Disease
      - Post-Surgical Repair of Aneurysm
      - Pulmonary Emboli
      - Superficial Phlebitis
      - Thoracic Aneurysm
      - Varicose Veins
    - Cardiac Arrhythmias and Treatments
      - Implantable Cardioverter-Defibrillators
- Pacemakers
- Supraventricular Arrhythmias
- Ventricular Arrhythmias

- Cardiovascular Tests
  - Echocardiography
  - Exercise Tolerance Test

- Cardiovascular Recommendation Tables Only — Available in PDF

- Coronary Heart Diseases and Treatments
  - Acute Myocardial Infarction
  - Angina Pectoris
  - CHD Risk-Equivalent — Multiple CHD Risk Factors
  - Coronary Artery Bypass Grafting
  - Heart Failure
  - Percutaneous Coronary Intervention

- Congenital Heart Disease
  - Ebstein Anomaly

- Heart Transplantation

- Hypertension (b)(6)
  - Measure Blood Pressure & Check Pulse
  - Essential Hypertension
    - Stage 1 Hypertension
    - Stage 2 Hypertension
    - Stage 3 Hypertension
  - Secondary Hypertension

- Myocardial Disease
  - Hypertrophic Cardiomyopathy
  - Restrictive Cardiomyopathy

- Syncope

- Valvular Heart Diseases and Treatments
  - Aortic Regurgitation
  - Aortic Stenosis
  - Aortic Valve Repair
  - Mitral Regurgitation
  - Mitral Stenosis
  - Mitral Stenosis Treatment
  - Mitral Valve Prolapse
  - Mitral Valve Repair for Mitral Regurgitation
  - Prosthetic Valves
  - Pulmonary Valve Stenosis

- Respiratory (b)(5)
  - Antihistamine Therapy
  - Allergies and Asthma-related Diseases
    - Allergic Rhinitis
    - Allergy-related Life-threatening Conditions
    - Asthma
    - Hypersensitivity Pneumonitis

- Chronic Obstructive Pulmonary Disease
- Chronic Sleep Disorders
- **Infectious Respiratory Diseases**
  - Acute Infectious Diseases
  - Atypical Tuberculosis
  - Pulmonary Tuberculosis
- **Non-infectious Respiratory Diseases**
  - Chest Wall Deformities
  - Chronic Obstructive Pulmonary Disease
  - Cystic Fibrosis
  - Interstitial Lung Disease
  - Pneumothorax
- **Pulmonary Function Tests**
- **Secondary Respiratory Conditions and Underlying Disorders**
  - Chronic Sleep Disorders
  - Cor Pulmonale
  - Pulmonary Hypertension
  - Sleep Disorder Tests
- **Neurological (b)(7)(8)(9)**
  - Anticoagulant Therapy (content links)
  - Anticonvulsant Therapy
- **Episodic Neurological Conditions**
  - Acute Seizures — Structural Insult to the Brain
  - Acute Seizures — Systemic Metabolic Illness
  - Childhood Febrile Seizures
  - Epilepsy
  - Headaches
  - Single Unprovoked Seizure
  - Vertigo and Dizziness
- **Infections of the Central Nervous System**
- **Neuromuscular Diseases**
  - Autonomic Neuropathy
  - Conditions Associated with Abnormal Muscle Activity
  - Congenital Myopathies
  - Metabolic Muscle Diseases
  - Motor Neuron Diseases
  - Muscular Dystrophies
  - Neuromuscular Junction Disorders
  - Peripheral Neuropathies
- **Progressive Neurological Conditions**
  - Central Nervous System Tumors
  - Dementia
- **Static Neurological Conditions**
  - Embolic and Thrombotic Strokes
  - Intracerebral and Subarachnoid Hemorrhages
  - Transient Ischemic Attack
  - Traumatic Brain Injury
- **Summary of Neurological Waiting Periods**
- **Musculoskeletal (b)(1)(2)(7)**
  - Skill Performance Evaluation — 49 CFR 391.49
- Fixed Deficit of an Extremity
  - Musculoskeletal Tests
    - Grip Strength Tests
  - Neuromuscular Diseases
    - Autonomic Neuropathy
    - Conditions Associated with Abnormal Muscle Activity
    - Congenital Myopathies
    - Metabolic Muscle Diseases
    - Motor Neuron Diseases
    - Muscular Dystrophies
    - Neuromuscular Junction Disorders
    - Peripheral Neuropathies
- Diabetes Mellitus (b)(3)
  - Diabetes Mellitus
  - Federal Diabetes Exemption Program
  - Incretin Mimetic
  - Insulin Therapy
  - Non-Insulin Medications
- Other Diseases (b)(9)
  - Hernia
  - Nephropathy
  - Urinalysis
- Psychological Disorders (b)(9)
  - Antidepressant Therapy (content links)
  - Antipsychotic Therapy (content links)
  - Anxiolytic and Sedative Hypnotic Therapy (content links)
  - Central Nervous System Stimulant Therapy (content links)
  - Electroconvulsive Therapy (content links)
  - Lithium Therapy (content links)
  - Adult Attention Deficit Hyperactivity Disorder
  - Bipolar Mood Disorder
  - Major Depression
  - Personality Disorders
  - Schizophrenia and Related Psychotic Disorders
- Drug Abuse and Alcoholism(b)(12)(13)
  - About 49 CFR 382 Alcohol and Drug Rules
  - Alcoholism
  - Drug Abuse
- Medications/Drug Use 49 CFR 391.41(b)(12)
  - About 21 USC Sec. 812 Schedules of Controlled Substances
- Medical Examination Report Form Summary
  - Medical Examination Report Form - Page 1
  - Medical Examination Report Form - Page 2
  - Medical Examination Report Form - Page 3
